

Web Accessibility Statement

At Professional EyeCare Associates we strive to achieve an exceptional experience for all users of our website and are committed to accessibility.

Efforts to support accessibility

Professional EyeCare Associates strives to conform with WCAG Guidelines to support accessibility and has taken the following measures to ensure accessibility, including but are not limited to:

- Appointment of an Accessibility Specialist;
- Accessibility training;
- Clear accessibility targets and responsibilities; and
- Automated and manual testing.

Feedback & Concerns

We welcome feedback and strive to continuously improve your experience and accessibility. For feedback or concerns, please contact us at webaccessibility@luxottica.com.
